

AROMATIC 100

Aromatic 100

COATING SOLVENT

PRODUCT DESCRIPTION

Aromatic 100 is a high flash solvent designed to aid in the removal and clean-up of acrylic concrete coatings. **Aromatic 100** is not intended to be used as a stripper.

FEATURES AND BENEFITS

Aromatic 100 aids in emulsifying and removal of sealing compounds from concrete and like surfaces. **Aromatic 100** can also be used to release moisture from sealed surfaces. **Aromatic 100** is perfect for thinning of solvent based acrylics as well as dissolving bubbles in sealer film. **Aromatic 100** also aids in the cleaning of tools.

COVERAGE RATE
