

Black Bull Concrete Cleaner & Degreaser

MULTI-PURPOSE CLEANER AND DEGREASER

PRODUCT DESCRIPTION

Black Bull Concrete Cleaner & Degreaser is an extra-strength multi-purpose cleaner and degreaser. It is specifically designed to help renew concrete and masonry by removing tough stains caused by grease, oil, mildew, algae, dirt, and other materials that can harm concrete.

PRE-APPLICATION

Before applying **Black Bull Concrete Cleaner & Degreaser**, ensure all plants and shrubs have been wet with water to prevent any effect on vegetation. Test an inconspicuous area before starting to ensure that the type of result is what is desired. Never over spray and avoid spraying on days where wind may cause material to drift. This product can be used at full strength for tough jobs or diluted to 20:1 for cleaning a large variety of surfaces.
