

## Sure Lock Paver Sealer

OIL-BASED OR WATER-BASED ACRYLIC PAVER SEALER

### PRODUCT DESCRIPTION

**Sure Lock Paver Sealer** is a ready to use hardener and dust proofer that provides superior protection against moisture intrusion and other foreign elements. **Sure Lock Paver Sealer** is also designed to prevent freezing and cracking on patios, porches, driveways, slabs and other like surfaces.

### FEATURES AND BENEFITS

- Safe to use in areas where there is minimal ventilation
- Easily applied using sprayers due to low viscosity
- High resistance to efflorescence and alkali

### COVERAGE RATE

Evenly apply **Sure Lock Paver Sealer** to new (unsealed) pavers or stone for a 1<sup>st</sup> coat coverage of 250-350 sq. ft. per gallon. When using on previously sealed pavers or stone, apply evenly for a 1<sup>st</sup> coat coverage of 350-400 sq. ft. per gallon. Second coating is optional but not required and results in a coverage rate of 350-400 sq. ft. per gallon.
